Date: June 2026

Issue number: 4

This edition is packed full of exciting opportunities, events and resources to help you plan your next steps. Whether you're exploring university options, considering apprenticeships, or looking ahead to your future career, there's something here for everyone.

From hands-on summer schools and expert application advice to industry insights and inclusive events, these articles will help you build confidence, develop your skills, and discover the many pathways available to you.

Take a look through and see what inspires you — your future starts here!

THE ARMED FORCES FOUNDATION SCHEME

Try Army life without a long-term commitment

This exciting programme gives students the opportunity to experience life in the British Army for 18 months — without having to commit to a full career right away.

It's perfect for those who want to explore something different, develop valuable skills, and keep their future options open.

What You'll Gain

- Real experience of Army life and day-to-day work
- New skills and recognised qualifications
- Time and space to decide your next steps

Where It Could Lead

For some, this scheme becomes the first step towards a full-time Army career.

For others, it's a powerful experience that builds confidence and strengthens future opportunities.

Roles Currently Available

- Infantry (excluding the Parachute Regiment and the Guards)
- Royal Artillery
- Royal Logistic Corps – Supply Chain Operative
- Adjutant General's Corps – HR Specialist

Who Can Apply

- Students aged 18+

Each resource comes as a ready-to-use lesson pack that can be easily adapted to suit different needs.

A great way to support skills development both in and out of the classroom. [Click here](#)

SMALL BUSINESS SUMMER

A new careers campaign for young people and small businesses

Small Business Summer is a brand-new careers campaign brought to you by Amazing Apprenticeships, supported by the Edge Foundation.

This campaign helps young people to:

- Discover small businesses in their local community
- Understand the unique benefits of working in a smaller organisation
- Explore apprenticeship opportunities that offer hands-on experience and real career progression

Small businesses can offer a more personal, varied, and supportive working environment, making them a fantastic place to start a career.

For Small Businesses

Amazing Apprenticeships is supporting small businesses to:

- Take the next step in hiring apprentices
- Connect with local talent they may not have previously reached
- Build awareness of the opportunities apprenticeship programmes offer

If you've been thinking about hiring an apprentice, now is the perfect time to get involved!

Free Support & Webinars

There are a series of helpful webinars available to guide you through:

- Funding and financial support available
- How to take on an apprentice
- Practical steps to get started
